Sign In Screen: Incorrect Hint text for phone number.

Physical Device	Figma Design
 The physical device screenshot shows a sign-in screen. At the top, the status bar displays the time 1:44, signal strength, Wi-Fi, and battery level. The main heading is "Sign in". Below it, there is a label "Phone No*" followed by a text input field containing the placeholder "Enter your email or phone no". Below this is a label "Password*" followed by a text input field containing the placeholder "Enter Password". To the right of the password field is a link "Forgot Password?". Below these fields is a large yellow button labeled "Sign In". Below the button is a horizontal line with the text "OR" in the center. Below the line is a light orange button labeled "Continue as guest". At the bottom, there is a link "Don't have an account? Register".	 The Figma design shows a feedback form screen. At the top, the status bar displays the time 07:47 PM, signal strength, Wi-Fi, and battery level. The main heading is "Feedback Form" with a back arrow on the left. Below the heading, there are four text input fields: "Name*" with placeholder "Enter your name", "Email" with placeholder "Enter your email", "Phone*" with placeholder "Enter your phone", and "Message/issues*" with placeholder "Enter message/issues". Below these fields is a large dark blue button labeled "Submit".

Feedback Screen: Getting error on valid email (Not fixed in v3.1).

2- Functionality Issues

→ Registration Screen

- ◆ In email text field remove white space check getting invalid email if there is a white space.

→ Home Screen

- ◆ Items are not being loaded in the home screen

→ Category -> SubCategory

- ◆ By tapping the favorite icon (wishlist), getting toast with msg "Already in the wishlist" and the wishlist Icon for All Products changed to filled heart
- ◆ Filter & Sort Buttons not working

→ Product Detail Screen

- ◆ If a product is added to the wishlist the icon is being changed, if I go back and revisit the same product the icon is changed back to unfilled.
- ◆ If I add a product from similar items the add to basket button of the selected product changes to view in the basket although that product is not in the cart

→ My Cart

- ◆ If the Delivery Time is not selected I'm able to place the order.

→ Checkout

- ◆ If the Address is not selected and I tap the continue button no error is thrown.

→ My Orders

- ◆ By Tapping the Cancel button multiple times it sends the hit to the API multiple times if should be disabled until the response of the first hit is received.
- ◆ Cancel Order Status not working, canceled order still in progress in My orders (In order detail it is working fine)

→ Forgot Password

- ◆ Not able change password getting account not exists.

→ Account

- ◆ My Address not working

→ Sign In

- ◆ No back navigation is available to the Home Screen.
